

**NACHT  
KOERIER**

The logo consists of the words "NACHT" and "KOERIER" in a bold, blue, sans-serif font, stacked vertically. The text is flanked by stylized blue wings that spread outwards and downwards from behind the letters. The wings are composed of several parallel, curved segments, giving them a sense of motion and speed. The entire logo is set against a plain white background.

A stylized white graphic of wings, symmetrical and spread out, framing the text. The wings have a layered, feather-like appearance with several distinct segments on each side.
